THE NEED TO WIN
When an archer is shooting for nothing
He has all his skill.
If he shoots for a brass buckle
He is already nervous.
If he shoots for a prize of gold
He goes blind
Or sees two targets—
He is out of his mind!
His skill has not changed. But the prize
Divides him. He cares.
He thinks more of winning
Than of shooting—
And the need to win
Drains him of power.
from THE WAY OF CHUANG TZU
The art of living does not consist in preserving and clinging to a particular mood of happiness, but in allowing happiness to change its form without being disappointed by the change; for happiness, like a child, must be allowed to grow up.

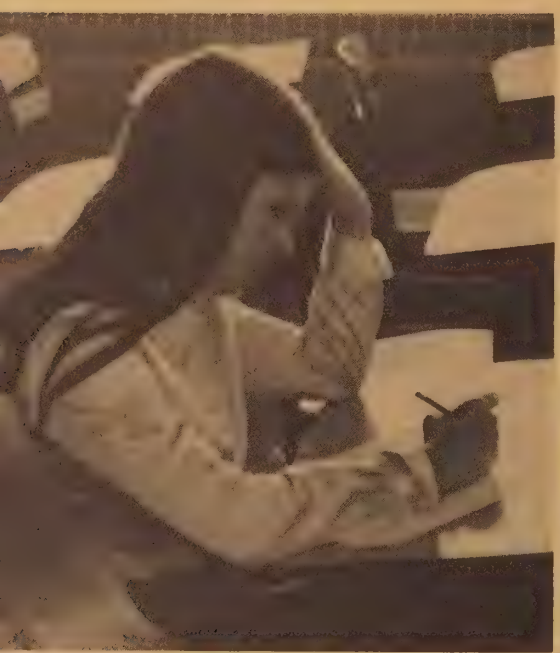
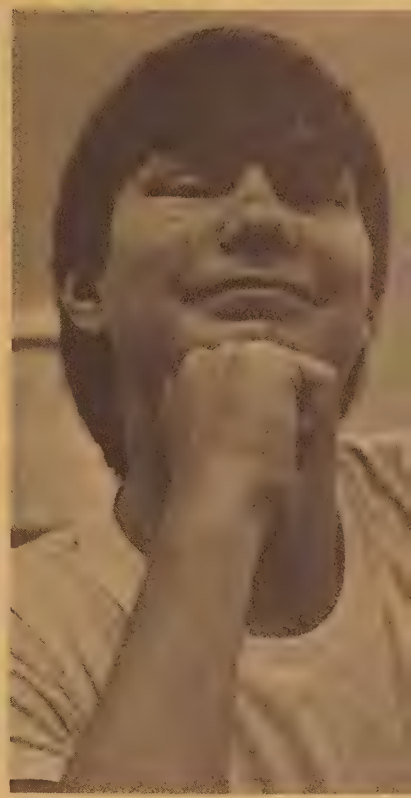
"Going Back To School Means Getting Back To Work"



Learn as if you were
to live forever;
Live as if you were
to die tomorrow.

Cheerfulness, like spring, opens all the blossoms of the inward man.

"Going Back To School Means Meeting Old And New Friends And Having A Little Fun"



Remember When The Sun Rose Before We Came To School?

Due to the energy crisis, time was moved up an hour so most students had to make their way to school or the bus stop in the dark. It was exciting for some, scary for others, and the rest didn't wake up until 2nd period anyway so they couldn't tell the difference.

The streams of lights show the paths of the buses as they arrive at school in the early morning darkness.

A bus finishes unloading as the rest of the world wakes up.

A bus beds down for the night only to wake up in the middle of the night to make its rounds.

The snow kept falling on these cars as their owners worried about the drive home.

5 Snow Days Give Us 4 More June Days

The snow wouldn't stop as it fell on the deserted school.

It wasn't long before this field was pure white.

Comedy Musical Provide Superb Entertainment While Displaying Various Talents of Students

With an abundance of talent, Madison could easily present two or three great plays this year. Clear Day and The Miser are two great examples and Bernardine is surely another.

Madison's biggest talents this year sing "On a Clear Day".

"Kitchy-kitchy-koo'

"Ah, they got me".

Harpagon doesn't seem to hear as Valere trys to explain something to him.

Daisy and the dancers sing on top of the roof.

The cast takes a final bow after a superb performance.

Moliere, Nateman Make The Miser A Success

Mrs. Nateman co-ordinated Madison's students with Moliere's words to make a very fine school production. With the great talents of Michael LeClere, Doug Albertson, Clay Puckett, Brandi Foote and all the others in the play, she couldn't have had too much difficulty. The play was a brilliant comedy and everyone involved should be congratulated.

"Do we have to?" The maids don't feel too happy about their chores for the day.

Cleante tells of his true love for Marianne to Frosine.

Elise is shocked to find out that Cleante's true love is Marianne.

It's wonderful to be here
It's certainly a thrill
You're such a lovely audience
We'd like to take you home with us
We'd love to take you home.
— Beatles

Family and servants assemble for the daily chore duty.

Cleante and Elise discuss a plan to trick the Miser.

Much to Harpagon's dismay, Cleante "serves the ladies refreshments."

Master Jacques cries bitterly for his ill-treated horses.

Harpagon strikes his "manly" pose to impress the matchmaker, Frosine.

While Valere impresses Harpagon, Master Jacques looks on in disgust.

The Miser is enraged when he hears the servant, La Fleche plot against him.

The Redskins prepare for another big game.

The faculty practices their lay-ups.

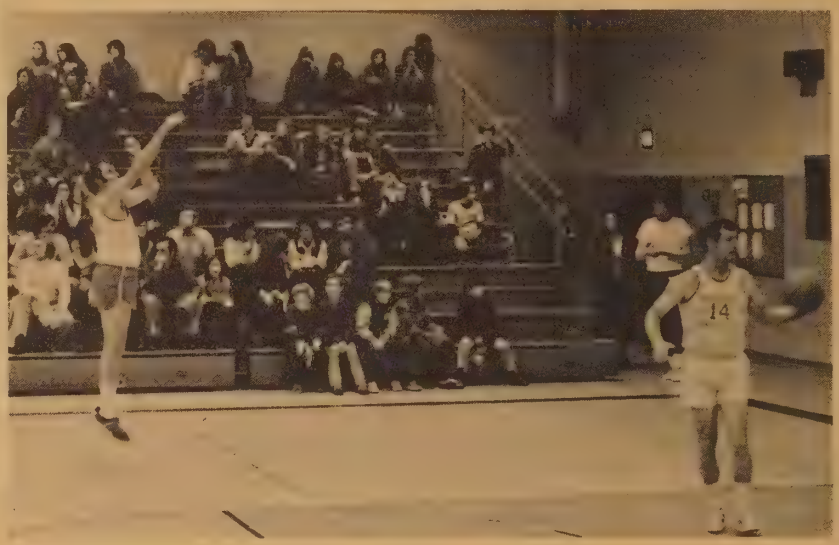
Mr. Ward goes up against Charley Taylor for the jump ball.



If only our teams could have shot like us.

Charley Taylor "desperately" tries to tie the score.

Then he "desperately" tries to go ahead.

The "big" team watches intensely from the bench.

Thanks, I needed a lift.

Faculty cheerleaders do everything they can to try and urge their team on to victory.

Coach McLean displays his perfect shooting ability.

Hey, where'd it go?

Mr. Hannah tries to raise the score a little.

"Oh, what did I have that I don't have now?", wonders Daisy.

Kriakos has a wild scheme to "take it with him."

Mrs. Hatch and Dr. Fuller discuss Dr. Bruckner's findings.

The chorus helps Daisy salute the SS Bernard Cohn.

"What will I be when I come around again?"

Warren looks forward to a bright future.

"Just wait till we're 65"

Clash Day

Cheerleaders and faculty display their clashes in almost all imaginable ways.

Pompom girls clash their shirts and socks. (Below left)

"Didn't think I'd do it, did you?"

The Fifties

In keeping with the current nostalgia trend, Madison had a fifties day where the guys greased and the girls wore bobby socks and ponytails. The student body regarded the day (the last day of the semester also) as a fun day, and a surprisingly large number of students and even a few teachers participated.

"We're gonna rock around the clock tonight!"

Diane Huband gets her hair done for the fifties at a classroom beauty parlor.

These intelligent students add up the fifties in Math Class.

The club strives to build skills and promote togetherness. Each year the club holds luncheons and an Employee, Employer Banquet.

DECA: 'Training for Leadership'

"To develop vocational understanding. To provide leadership training. To foster social intelligence. To increase civic consciousness."

The Girl's Athletic Association, sponsored by Miss Pound, is an active organization that assists the girls' P.E. Department. Each year they raise funds to buy necessary equipment that would be most beneficiary to the department. Some of the fund-raising projects this year were bake-sales, and the sale of Madison sweatshirts, T-shirts, buttons, and Smelly Stationery. The group also held a Fun-Night and the annual Mother-Daughter Banquet.

Rock Climbers Reach for the Top

The Rock Climbing Club, founded by Paul Darling, is quite a unique addition to the list of new clubs this year. The club's main activity is rock climbing. The sport is quite safe as ropes and other equipment are used for safety at all times. The club made many climbing trips to Carderock and Bull Run Mountain.

Some of the rudimentary skills of the sport are rappelling, belaying, and proper safety methods. Rock climbers are careful and as a result of their cautiousness, they will be able to enjoy the sport for many years to come.

He climbed to see the mountains. He saw silver clouds below. He saw everything as far as you can see . . . Now he walks in quiet solitude, the forests and the streams, seeking grace in every step he takes. His side has turned inside himself to try and understand the serenity of a clear blue mountain lake.

Soul Squad Adds a New Kind of Spirit

S.O.S. Keeps the Beat

S.O.S. is a club which to begin with means "Society of Soul". It started when some of Madison's black students didn't have the qualifications, such as money to buy uniforms etc., so they decided to have a club that they could call their own; to have their own identity. The purpose of the S.O.S. Club is to introduce ourselves to different surroundings, culture, and to meet important people. We're not out just to give parties for pleasure, they're for a purpose. That purpose is for raising money to go on trips to museums, theatres, other schools, and industries. Due to the gas shortage, we couldn't successfully obtain that goal. We had a bake sale so we could raise money to help Howard University because they needed money to help starving people in Africa. Also we had a very successful Black Heritage week. We had a book display in the library and we fixed up the showcase in front of the main office and showed films in the auditorium.

Left to right: Rene Brown, Brian Randel, Nancy Sims, Jackie Harris, Allan Mercer, Brenda Prichard, Cindy Hoston, Armel Brown, Donna Ellis. Kneeling: Debbie Pearson, Shiela Marion, La Juana Thomas.

National Honor Society

The National Honor Society is basically that — an honorary association for those having achieved high academic success. Not only outstanding participation but leadership in extra-curricular activities is a pre-requisite for memberships. In other words, we focus on a few events — incomparable inductions, monumental meetings and once in a while — something else.

Through the interest of its members, the Thespian Society is rapidly becoming one of the most active and well-known Club at Madison. The Thespians have sponsored the play, "The Miser", by Moliere, as well as sponsoring a series of workshops covering all aspects of the theatre. Courses offered in the Thespian workshops ranged from technical work such as lighting and sound to various aspects of acting such as improvisation and Grotowski theatre. As well as sponsoring the Spring play "Bernardine", by Mary Chase, the Thespians sponsored a one-act play, written by a member the Thespians, which competed in the one-act play festival. The Thespians find their job of promoting dramatic interest at Madison a very enjoyable and rewarding experience.

Acting Can Be Very Relaxing.

Twirling for Victory

This year the Majorettes consisted of six twirlers and one alternate. The captain was Danita Galbraith and the co-captain was Donna Newkirk. They worked hard performing with the band at pre-game and half-time shows throughout the football season. In addition to performing at the games, they also competed in the Vienna Halloween Parade and the Robinson Spectacular. Besides working hard with the band, each girl competed in either the Americanettes or the McLean Virginians Twirling Corps. which are nationally known. Although the girls had to put a lot of time and work into their many performances, they received a rewarding and worthwhile experience. They owe many thanks to Mrs. Ann Brown and to Mr. Jeff Bianchi.

The Science Lab Assistants stay very busy. They have a variety of responsibilities, but their major job is to run errands. The lab assistants are responsible for setting-up and cleaning-up labs, typing, and filing. The assistants do the clerical work for the teachers, so the teachers will be available for lecturing and giving help to the students.

Madison's Literature and Art — Uncovered

Heritage is Madison's litery magazine, including poems, essays, stories, art, and photographs, created by students. Each year Heritage puts out two issues per year: a calendar and a spring magazine. They are a representative sampling of the literary and artistic efforts of the students of James Madison High School.

Montpelier - Complete

Left to right: Sandy Keiser — Co-editor, Mr. Shaffer — Sponsor, Roxanne Lang — Editor-in-Chief. Below: Elaine Kennedy — Co-editor.

The main concern of everyone on the Montpelier staff was the completion of the yearbook — with its frantic searches for new ways to present the year, missing photographs, lost pages, and the last-minute flurry to meet the deadlines. In March, though, with most of the yearbook completed, several staff members took a break by going to New York for the Columbia Scholastic Press Association Convention.

The entire Montpelier staff worked to bring the various happenings of the school year together into a memorable book. Each picture in the book captures a single moment. Every photo, drawing, word, page by page distills some essence of the year — the actions, reactions, emotions. From the work of each individual staff member to the presses of our new publishing company, the book developed as a record of ourselves, our teachers, our administrators, and for us all. With that thought in mind, we put together Montpelier, the year permanently recreated.

Energetic . . . Finest Symphonic Band

The Madison Symphonic Band was off to an energetic start this year. To achieve the level of perfection demanded by the new Band Director Carl J. Bianchi, the bandmen responded to "Magoo, take a lap". After spectacular performances at all home football games and Fairfax County on Parade the band received the rating of "EXCELLENT" (II) at the Robinson Annual Marching Spectacular, a competition for the finest marching bands of Northern Virginia. The band was also Honor Band in the Annual Vienna Halloween Parade, and took a trip to Philadelphia to observe the Parade of Champions.

After a busy marching season, the symphonic band moved indoors and prepared a fine winter concert. Members played in the pit for the musical "On a Clear Day You Can See Forever" — which opened to rave reviews. After a vigorous competative audition between the finest area high school musicians, 38 members of both Madison bands made the All-Regional Band. Six members, made the Virginia All-State Band.

The Symphonic Band again received top ratings — "SUPERIOR" (I) at the District Band Festival in performing music of the most difficulty — Grave VI.

Another first at the Mid-Atlantic Band Festival held at Herndon, Virginia the band competed in both symphonic and marching and again received high ratings.

The highlight of the year of course was the Virginia Beach Music Festival to which the nation's finest high school bands are invited. The Madison Symphonic Band thoroughly enjoyed the weeks at Virginia Beach in symphonic marching, and sight reading competition, and again received high ratings. The week at "the Beach" proved a fitting end to "Magoo, take a lap".

Outstanding "Excellent" Concert Band

The first performance of the Concert Band was the Annual Flint Hill Kiddie Concert, followed that evening by an excellent performance at the S.P.T.A. Christmas Concert. After weeks of hard preparation the concert band played an outstanding pre-festival concert. Then at District Band Festival the Concert Band received a rating of "EXCELLENT" (II) overall.

In May the Concert Band performed for the Annual Pops Concert. Then to finish off a busy and productive year the Band played superbly in the Spring Concert.

Record Breaking . . . Stage Band

Madison once again has an excellent Stage Band. This has been a record breaking year. The Stage Band entered the District Stage Band Festival, performing music of the most difficulty. They received the rating of "SUPERIOR" (1). The Stage Band received many compliments for their performance for the Band Parents Club and for 8th grade orientation.

Superior Rating . . . Concerts . . Enthusiasm

Each sixth and some seventh periods this year, the halls around rooms 105 and 106 have been filled with sounds of an orchestra rehearsing for its next apprearance. Born three years ago as a Sinfonietta, **The Madison Symphony Orchestra** has grown to 48 members and has had numerous public appearances. As a starter, they played for the Miss Madison Beauty Pageant in October, then a concert in December followed by the VBODA Festival in March. For this Festival, Madison was the host for 36 orchestras and the Madison Symphony did the honors — they also received a Superior rating for their playing. In May they had another concert and traveled to Lynchburg to spread the good news and musical sounds. Enthusiasm for playing is infectious and all the members will remember this as a good year with even better years to come. Officers were Martha Gilkey '74, President; Sandy Graves '75, 1st Vice President; Donald Foy '75, 2nd Vice President; Shelly Jackson '75, Secretary-Treasurer; Diane Conant '75, Librarian; Joan Thomas '75, Uniforms; Mark Dingman '75, Stage Crew; and Larry Bamford '75, Concert Master.

Outstanding Performances and Rave Reviews

The Madison Choir seems to surpass the standards that are set for it each year and this year was no exception. With an excellent concert at Wesley Methodist Church, early in the year the Choir set the pace for the upcoming months. Five concerts were given by the Choir at the Kennedy Center, Smithsonian and our own school. It seems that the traditional devotion and hard work put in by the members of the choir and Mr. Shafer came shining through in some very fine performances. As Mr. Shafer often says, "If you're not getting better you're getting worse", and the choir under Robert Shafer's direction is certainly proof it's not getting worse.

The Madison Madrigal Singers were also off to an early start this year with the World Premiere of director, Robert Shafer's "Requiem," performed a little over a month after school began. The Madrigals also sang at the fabulous Folger Library and Kennedy Center, as well as many other cultural centers in Washington D.C. They received rave reviews and performed music which was specially written for them by some of Washington's leading composers. They tentatively plan to top a very successful year off with a concert at Carnegie Hall in New York in June.

MADISON VARSITY IMPROVES 5 - 5

Blessed with some of the finest pure talent in the area, Madison's Varsity team finished its 1973 season with a 5-5 record that doesn't show the excellence that made Madison the number 10 team in the Northern Region.

The Warhawks fine defense finished third in the Great Falls District in points allowed, while the Warhawks' running game rolled up an impressive 1803 yards on the ground, with senior fullback Mike Sofia averaging 97 yards per game, and totalling 873 yards on the season.

After the season had ended, four Warhawks — guard Brian Young, tackle Brian Leighty, fullbacks Mike Sofia, and linebacker Roy Weaver received various All-District awards. Sofia and Young received second team All-Regional - honors. Offensive tackle Leighty received first team All-Regional honors from the coaches, and was selected to the A.P.'s All-States second team.

A WINNING SEASON

Madison's Varsity Basketball team completed one of their finest seasons on record, as they compiled a 13-6 record, third in the district. The Warhawks of '73-74 were a mixture of experience, youth and talent, with four juniors and a senior in the starting line-up.

6-5 Junior center, Vince Villani, overcame all expectations as he matured into one of the best shooting centers in the district, leading the Warhawks with a 16.7 average. Junior guards Greg Jones and Robert Pearson provided the talent needed in the backcourt, with Jones averaging 14.0 points per game. In the frontcourt, Alan Mercer played an agressive year at Forward, coming on well as the season drew to a close. Seniors Dan Quantrille, Eric Best and Mike Reagan added good shooting and defense at the other Forward. The Warhawks won seven of their last nine games, with their final loss coming in the District Tournament against the Big Red.

First year Coach George McLean should be credited with a job well done and expectations are high for a great team next year.

Varsity Wrestling

Led by seniors Pat Whalen, Dave Flander, Pete Harris, Dave Shumway, and Roy Weaver, Madison's varsity wrestling team showed excellent and exciting wrestling, winning five matches in a row after a heartbreaking opening match loss to Falls Church.

Wrestling at 138, Dave Flander breezed through five matches without a defeat before injuring his knee, but the Warhawk middleweights, starting with Shumway at 119, through Harris at 132, gave the Warhawks the points when they needed them. At this writing, Madison sports a 6-3 record, losing only to Falls Church, Oakton, and Yorktown. At 98 and 105, sophomores Wayne Richter and Bob Swaggerty gave Madison strength in the lower weights, and senior Alan Edwards at 185 provided punch for Madison in the upper weights.

Warhawk Track and Field Men Excel

Madison's spring track team excelled this year with depth and talent, both in the track, and in the field events, with good depth as their strong point. In the field events, Jeff Chellimi, Mike MacVey, Jeff Cramer, Ken Draim and Mark Lambdin were the Madison stars. In the sprints and hurdles, Keith Naquin, Dave Frost, Arondo Holmes, Mike Rodis and Andy Schwab constantly burned the cinders. In the middle and long distances, Kevin McKenna, John Sieminski, Tom Curling and Chuck Forbes excelled. All-in-all, a good year for the Warhawks.

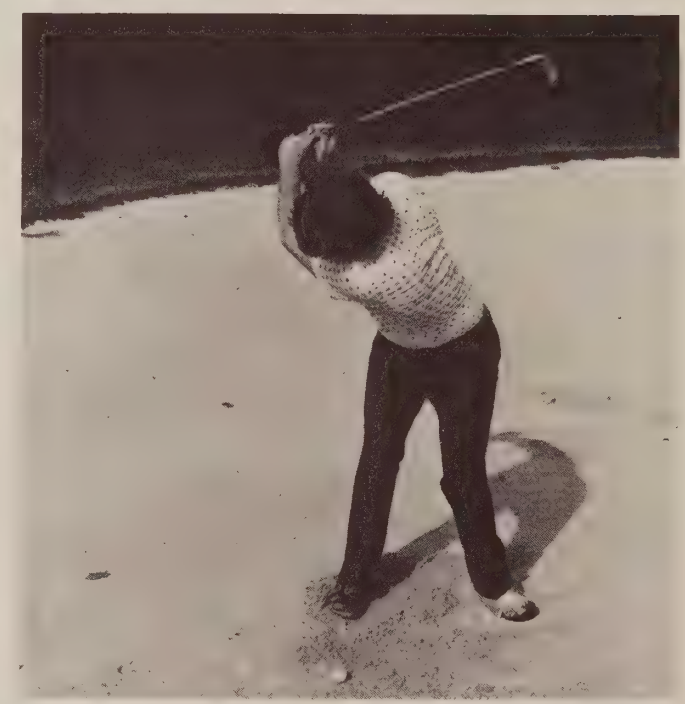
GOLF TEAM 1973-74 SWINGS FOR WINS

Madison's 1974 Golf team was a mixture of all of the above three qualities as they attacked the season, trying to better their 8-2 record in 1973. Senior letterman Gary Mackintosh and Dan Kibler, both three year team members provided the team with age and experience, while juniors Gary Stumpf, Bob Bernard and Kevin Cotter, plus super sophomore Rickie Moreland provided the youth needed for coming years. The team faced the easy part of the schedule in the early part of the year, and had touch matches with Herndon and Langley before they entered the district tournament.



Madison's number one golfer, three year letterman Gary Mackintosh turns into the ball on his downswing for a trap shot.

Senior letterman Dan Kibler, a three-year team member concentrates a delicate golf shot, the downhill chip.

"Boys, there is absolutely no way this shot isn't going in," says Coach Hannah as he teaches the fundamentals of chipping to Rickie Moreland, Gary Mackintosh, Bob Bernard and Kevin Cotter.

Gary Mackintosh (r) and Richard Moreland can't believe the chip shot that Gary nearly sunk. Moreland, a soph, and Gary, a senior, provided the Warhawks with the talent that made the Warhawks regional golf powers.

MADISON SWIM TEAM

1973-'74 SEASON

As the year progressed, the Madison swim team under the leadership and coaching of Mr. Hannah improved immensely. The team won the last tri-meet, beating W&L and Yorktown. In addition to the exciting competition which they faced, the team members increased their various swimming skills while enjoying a challenging sport.

GIRLS VARSITY TENNIS

In the second season as a varsity team the girls showed much improvement over last year's performance. Winning four meets and losing three by very slim margins, the girls have a strong chance of being a real threat for next season's district title.

The Junior Varsity's record does not show their hard work and determination they displayed throughout the season. The girls lost several of their games by very slim margins and with the help of a few breaks, could have won these rivalries and come out on top of the district. Since she will lose many of her players to varsity this coming season, the coach, Miss Pound, looks forward to next season hoping for many fine prospects in next year's freshmen.

The Girl's Varsity Hockey Team, last season's district champion, had several returning lettermen this year and had anticipated capturing the title once again. However, Madisons plans were thwarted by stronger competition from McLean and Herndon. The team ended up with a dissappointing record of 2-2-4. Mrs. Birch, the coach, felt that the girl's were capable of a repeat of last years undefeated season.

Many teams would have been happy with the record that they had, but, at Madison the girls, won't be satisfied until they are Number One.

The Varsity has an inter-squad scrimmage to prepare for some tough upcoming games.

The Junior Varsity take time out during a hard practice to find time for some messing around.

Leaping high above her defenders, Linda Walther lays one up for two.

Barb Berg easily out jumps her Herndon opponent to set up a score for Madison. Barb consistly won the tap to start the Warhawks game attack.

The Girl's got off to a slow start this season, but managed to win the District title once again. Their only loses came from Marshall, but Marshall also lost two so Madison tied for first place. Madison won the First Annual Girls District Tournament which decided who was district champs. Madison played two really fantastic games against rival's McLean and Marshall in the tournament. Then the girl's lost to a strong Lee team in the regionals, but they deserve a big congratulations for another fine season.

Karen Wimmer reaches high above her Herndon opponents and puts up a shot, good for 2 points.

Carol Murphy lays one up after she received the outlet pass from Margaret Lampmen in the Herndon game.

Diane Hiem finds herself all alone and fires for another bucket.

Freshmen, Mary Kelly races down court positioning in front of her opponents to stop their fast break.

The girls gather around their coach, Miss Dean, as she tells them the strategy for the final quarter.

Linda Sattler is in the clear and ready to receive a pass from Diane Hiem.

The J.V. Basketball team had a super season losing only one game and placing second in the district standings. The addition of many talented freshmen helped the returning squad to have a fine season giving the Varsity squad many prospects for next season. Miss Pound, the J.V.'s new coach, and the girls should be congratulated for an excellent season.

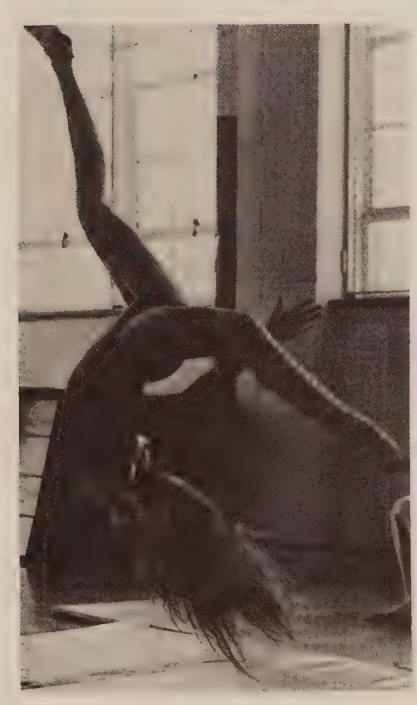
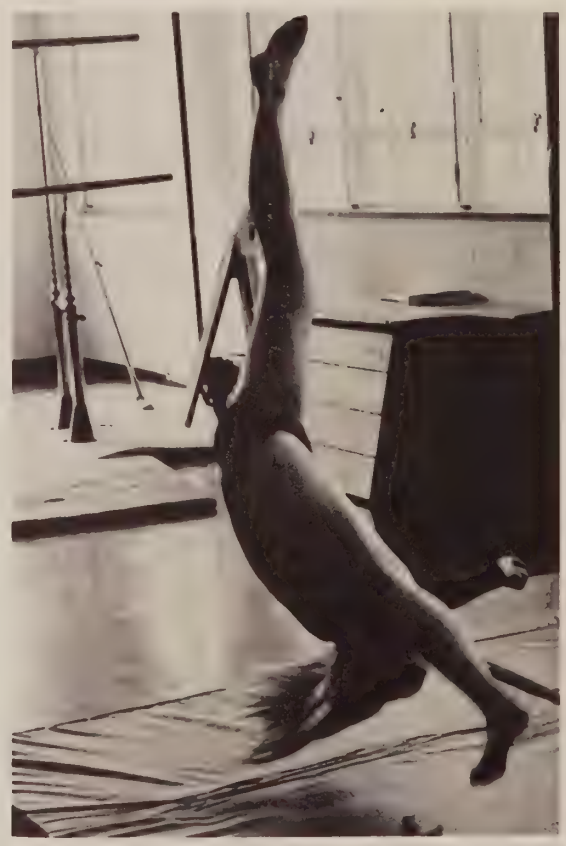
GIRL'S GYMNASTICS 1974

The Girl's Gymnastics Team had a fine season this year losing only to Yorktown in their first meet of the year. Unfortunately Yorktown, last years state champions, were in the Great Falls District or the Madison girls would have captured their first district championship in their three years of existence. The girls and their coach, Miss Bader, worked very hard through the season and the results can be seen in their fantastic record.





Veteran Debbie Marcum scoops up this ground ball for a sure out.

Junior Linda Walther, returning for her third season, takes a mighty swing during practice.

GIRL'S SOFTBALL

Another returning senior, catcher Sue Simone knows batting practice is essential before the start of the season.

GIRL'S SOFTBALL 1974

This years softball team is anticipating a winning season with many experienced players returning. Combined with the young talent moving up from the Junior Varsity team, the Varsity should rank high in the district standings. The girls have all the qualities needed for a winning team: speed, powerful hitting, good defense and lots of spirit. Along with the smart coaching of Mrs. Milbourn, this years team should carry on the Madison tradition of winning.

Warming-up before practice, Susie Fuller is anticipating a good season for the Warhawk squad.

GIRL'S TRACK

GIRL'S TRACK TEAM 1974

The Girl's Track Team is looking for a promising season this year with many returning members. With the nucleus of these members and the addition of many new girls, Mrs. Birch and the girls will be working hard for the 1974 season eyeing the district title.

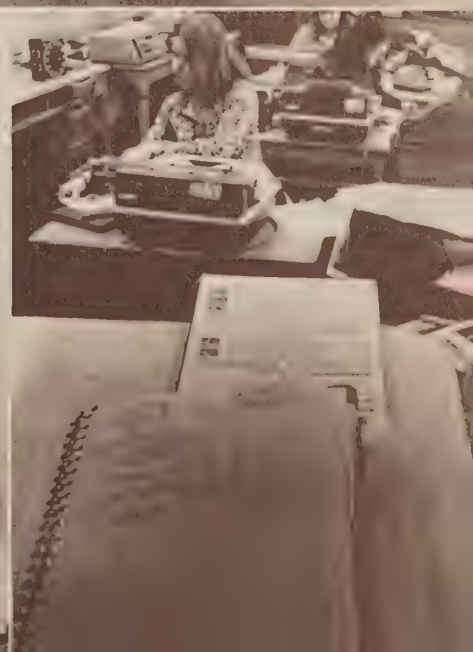
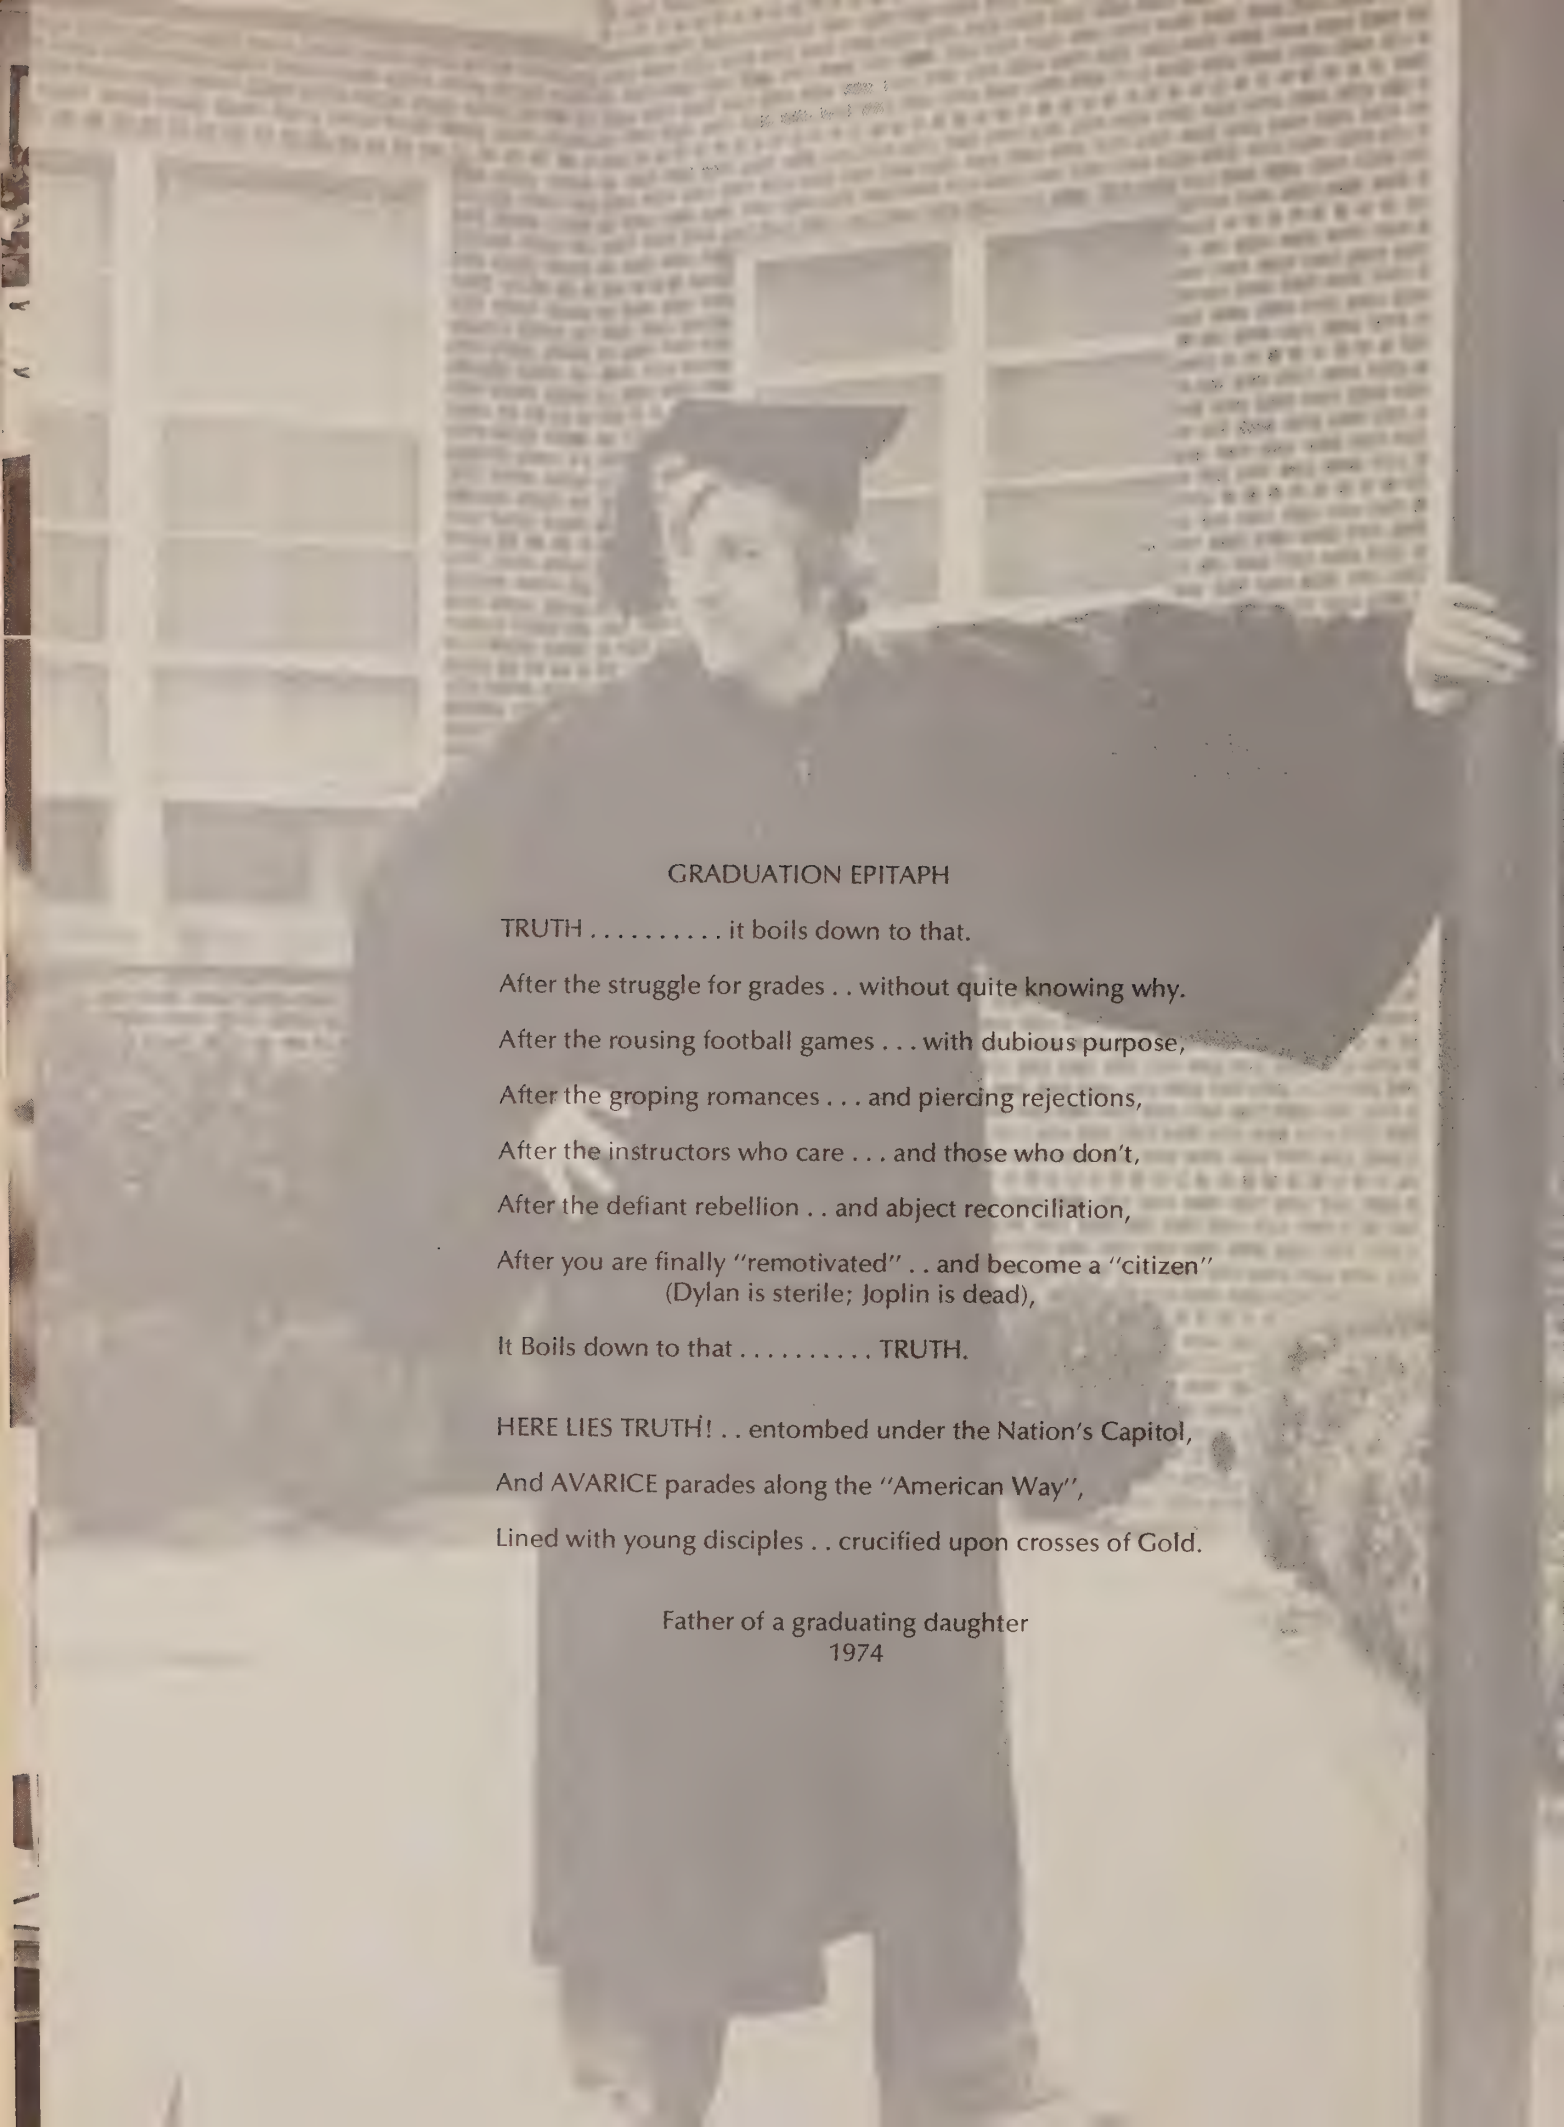
THANKS

We the 1973-'74 Montpelier Staff would like to extend our sincere appreciation to all the administrators, especially Mr. Drayer for his never ending sportsmanship, to the faculty for their patience while their classes were used for picture studios, and most important to the student body for their support.

TO THE STAFF

Mr. Shaffer and Roxanne would like to thank all the editors and their staffs for the excellent and constantly demanding work that they put into this years yearbook. We would also like to say that we extremely enjoyed working with all of you.





GRADUATION EPITAPH

TRUTH . . . . . it boils down to that.

After the struggle for grades . . without quite knowing why.

After the rousing football games . . . with dubious purpose,

After the groping romances . . . and piercing rejections,

After the instructors who care . . . and those who don't,

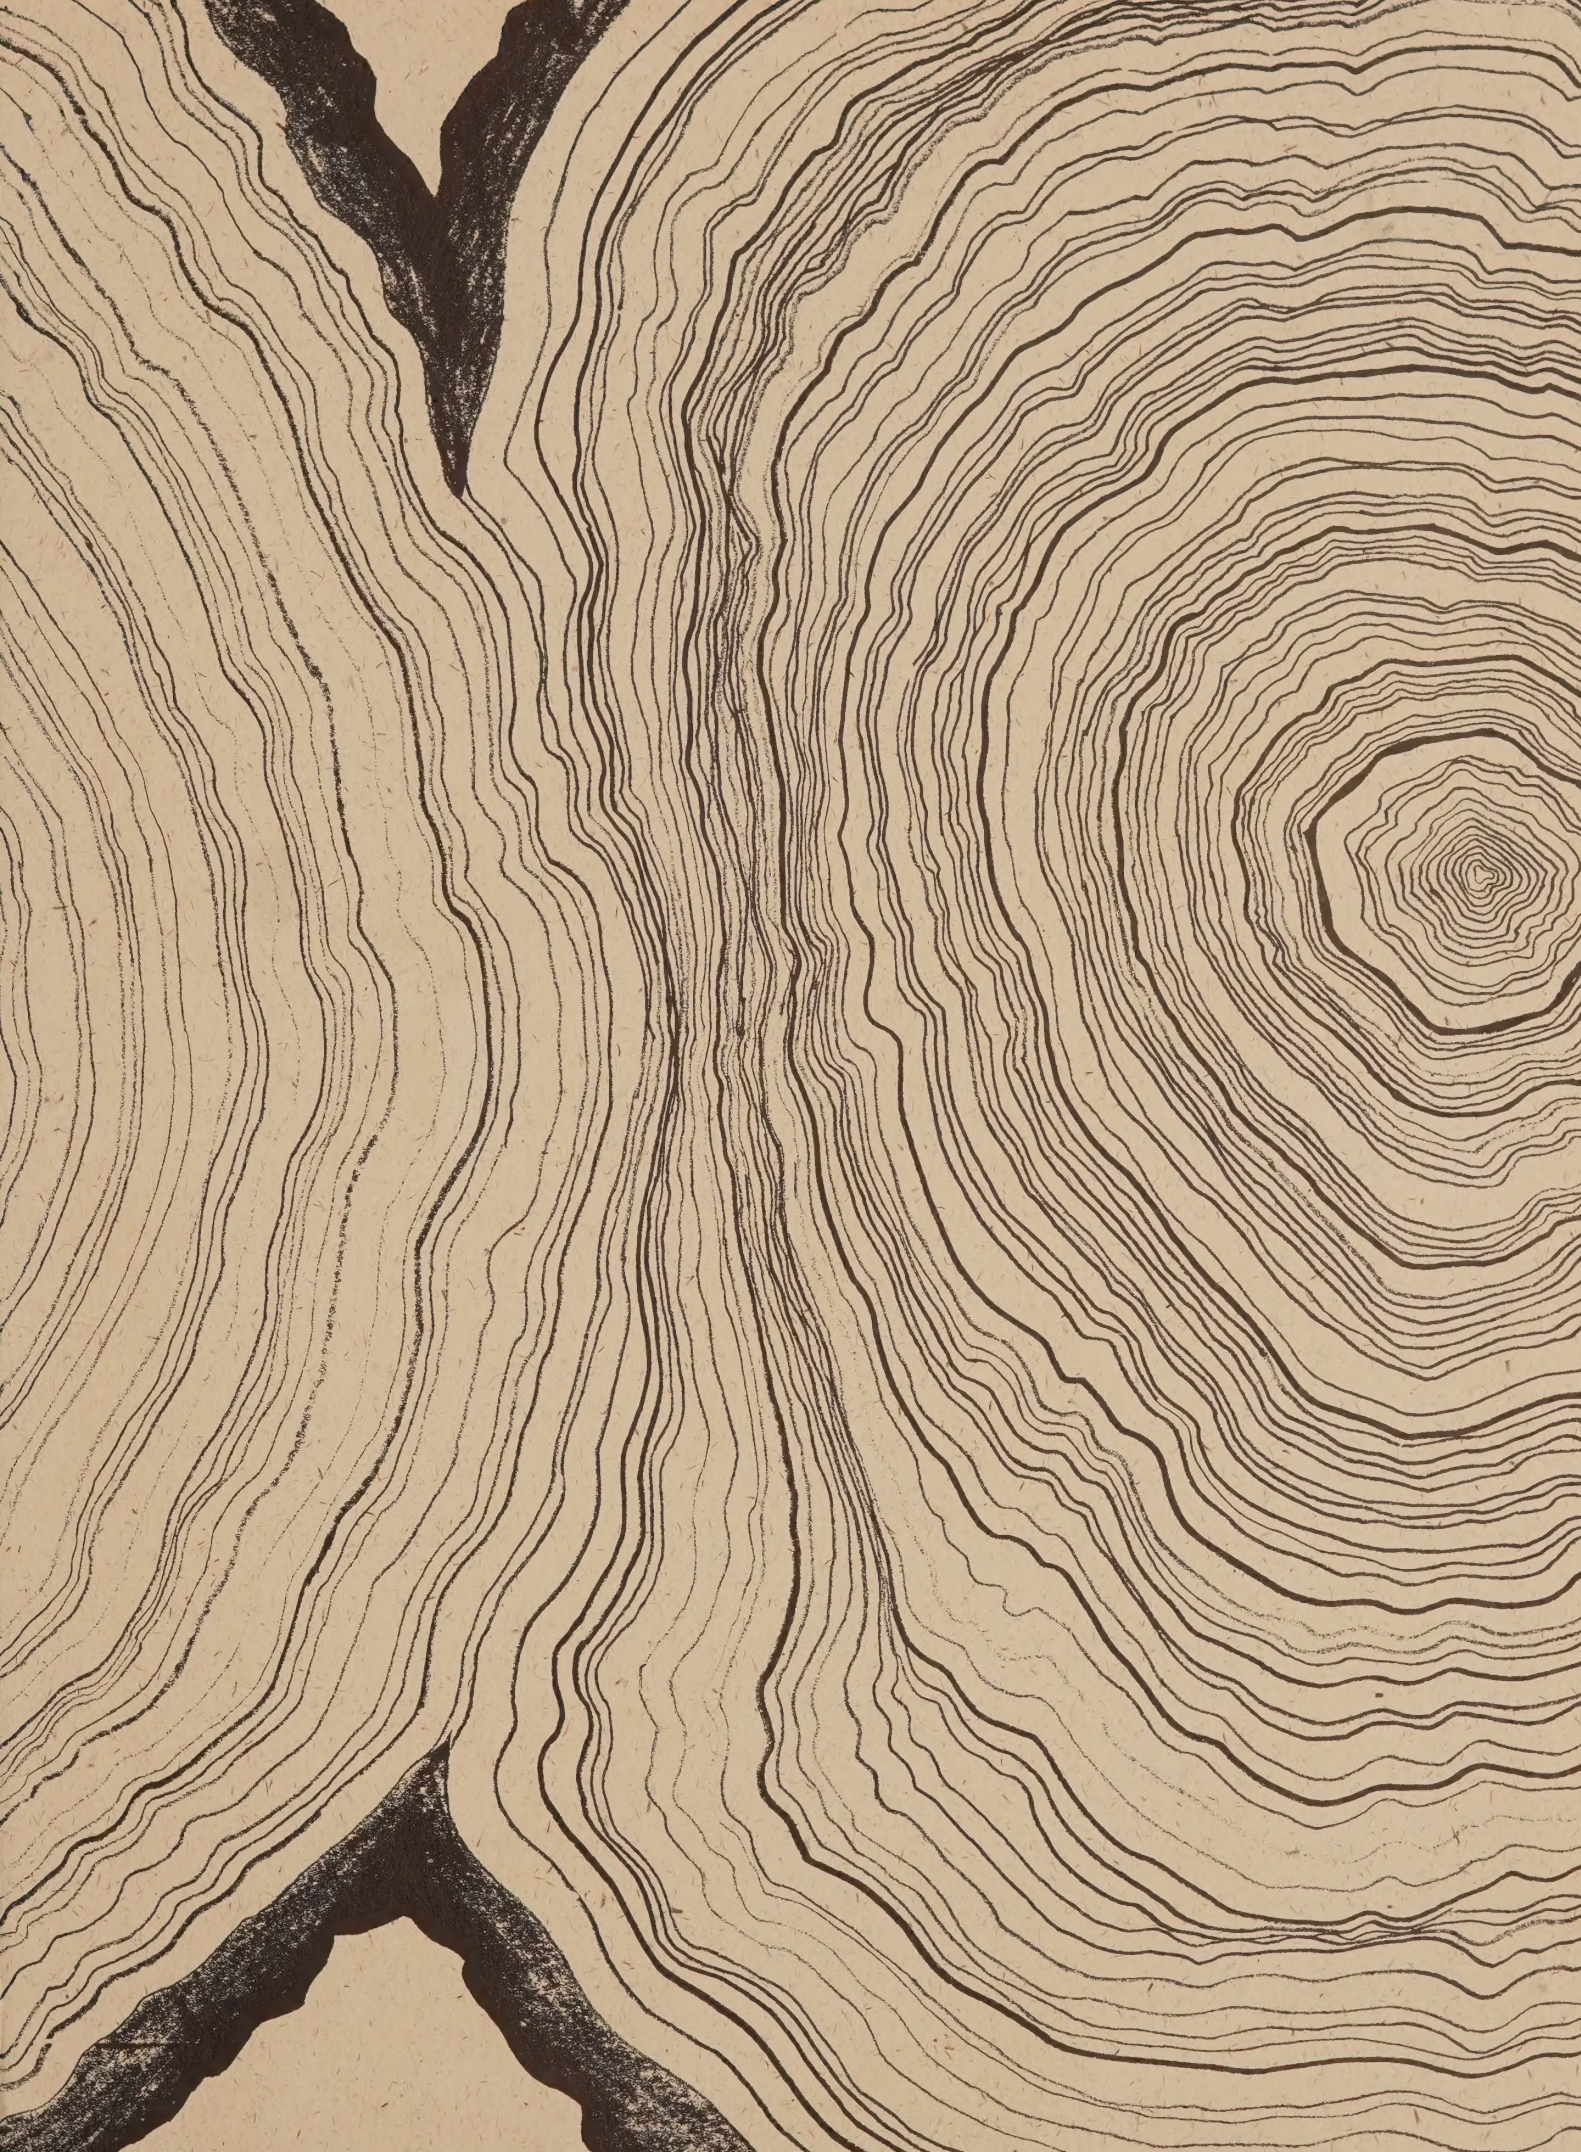
After the defiant rebellion . . and abject reconciliation,

After you are finally "remotivated" . . and become a "citizen"
(Dylan is sterile; Joplin is dead),

It Boils down to that . . . . . TRUTH.

HERE LIES TRUTH! . . entombed under the Nation's Capitol,

And AVARICE parades along the "American Way",

Lined with young disciples . . crucified upon crosses of Gold.


Father of a graduating daughter
